《Summary》

Ichi and Daiya live in the apartment above Fuuko. Fuuko finds herself becoming attracted to Ichi by the day. However, since Iori-san has reappeared in Ichi's life, Fuuko feels a distance growing between her and Ichi. To Fuuko, who is drowning in her own misery, Daiya suddenly confesses that he likes her. Fuuko is hesitant at first, but she feels her heart gradually being warmed up by his straightforward feelings. But then Ichi calls Fuuko out. He throws away the mug and declares his decision to "try to start things over with Iori-san." Fuuko accepts Ichi's decision and the two go their separate ways. On Christmas Eve, Class A and F have a joint party at Ichi and Daiya's grandparents' house! In the middle of the "secret-spilling fest", Ichi returns from work. While everybody chants for Ichi to spill his secrets, Fuuko is the only one in his eyes...!?

Ⓐ I wonder of those people who buy this manga, how many are also reading Margaret? I always try to get everything published in Margaret also to be published in the comics. Like the small, one-square mangas or the colored pictures that you open up. Because the open-up pictures are bigger, I work a lot harder on them than the one page color pictures, and there are several that I'm rather proud of, but they're hard to use in the comics. Those of you who wish to see them all, please look into the Margaret as well. Sometimes it comes with PT goodies, sometimes you can win PT goodies. Check it out! ♥ ♥

① Hello!! This is Nanaji Nagamu. Thank you so much. This is volume 18! Honestly, I wonder how long PT is going to last. Truth be told, I declared to my editor that it will end sometime next year! But I'm starting to think that won't be enough time. Things that I want to write about continue popping up as I go along. (I'm sorry, I'm not one of those geniuses that sprout one huge idea, like a hot spring. They always pop up in small spurts.) But then again, PT might just end very suddenly (laugh). Nah, I don't think that's likely. I still can't see the end at all. Please continue reading and don't avert your eyes until the very end!! Don't quit in the middle! Don't give up on me! It's a promise! Ooh, who just thought that I'm really annoying!?

On Christmas Eve, Class A and F holds a joint party at Daiya and Ichi's grandparents' house. Everybody gets worked up during the secret spilling fest!! It is fun, but Fuuko, Ichi, and Daiya each carry their poignant emotions in their hearts...

Author's Comments:

I wonder why you can never see what's wrong with your drawings as you're drawing them. I'm always thinking, "This is the best" as I'm drawing them, but when I look back on them after a while, they're horrible. I'm still in the exploration process, changing my drawing style, changing my drawing medium. Somebody once said, "It's over when you're completely satisfied" and with those words, I'd like to convert my dissatisfaction into fuel. Wow... I sound really serious. ♡

SHE'S THE FIRST GIRL-FRIEND I'VE EVER HAD IN MY ENTIRE LIFE!
COME ON, THINK ABOUT IT!

Ⓑ My daughter, Hiyoko is getting to be such an age that if I should write "Daughter, X years old" then readers would deduce, "That means that Nana's the mother must be at least X years old? Wow what an old hag!" So lately I've been thinking that perhaps I shouldn't write how old she is. Although I'm sure it's obvious to the readers who have been reading about Hiyoko all this time. Hiyoko recently has started to read manga. She can rattle off all the titles and the authors of the series in Margaret. The character names too. This makes me kind of happy. "Mother! What are you reading?" "S+ (S-Plus)", "Ohh, Hazuki Megumi san's work. This girl is Akane chan, right?" This is a typical conversation. U-FUFUFU

②I was allowed to sit in for the recording of the PT soundtrack CD!! It was so much fun!! It was a completely new experience for me and there were a lot of surprises, so it was a very exciting day. What most impressed me was the professional atmosphere. The voice actors and the director and everybody had lots of fun and joked around until it came time to begin and then immediately they all became extremely professional, enough to make me even think that I shouldn't be there. It's incredible. And I am very fortunate to have been exposed to their world. They even allowed me to make some silly comments like, "How you said that just now should be more like this." And the director conveyed very eloquently my bumbling inarticulate opinion so that the actors would produce the voices exactly the way I imagined.

Hazuki Megumi-chan whom I mentioned in previous comments is the hope of Margaret. She comes to our autographing sessions, sends us encouraging faxes, and besides having an incredibly cute face, she's just an overall adorable younger-sister-like person. She had the main character in her manga, Akane, wear the same shirt that Fuuko is wearing in this volume.
Oh yeah, when I ran out of tone for this shirt, she even sent me some of hers (thanks for helping me out!!) As a fan of Hazuki Megumi's work even before meeting her, I'm happy to be friends with her now. I can say, "Hazuki Megumi? Oh, yeah. she's my friend" (laugh) I'm sorry? I've only met her twice. But that's okay!! I'll be seeing her more from now on!! I'm sorry for being so overly excited, Megutan <3 <3

③ Because my descriptions are like "more GAH" or like "more quietly" and that's about it. And so it's all the more impressive I was astonished at how good Koshimizu Ami-san, who speaks Fuuka's part, is despite being so young. I can't even count the number of times I teared up listening to her during the part when Fuuka is upset over Daiya's rejection but tries to be strong. Suzumura Kenichi-san acts out such a friendly Daiya that I can't help liking Daiya even though he rejected Fuuka. Namikawa Daisuke-san acted out Ichi 100 times cooler than he is in the manga. The ex director Gotou-san and the present director Ka-tan and I would squeal "Kya <3 <3" and "Ooh <3<3" all the time. The truth is I didn't know much about voice actors before, but since my experience with them I've been able to recognize the voices of the Parfait Tic actors in other anime shows. "Oh! This voice is...!"

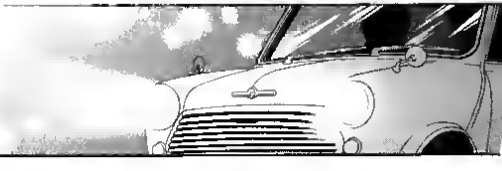
... THE PLACE

WHERE HAPPINESS IS...



I love shopping. Although I only get to go once or twice a year. The thing I love to do most is to shop in Kyoto. It has Isetan, and Shyou has tons of shops. Kobe and Osaka are also fun, but when I go to Kyoto, I feel like I come back with the most shopping bags. There are so many shops I like that I can't leave empty handed.

I go all out shopping once or twice a year (during sales), but I often buy small things at Jasco or SATY. I go even when I don't need to buy anything. It relaxes me! (laugh)

WHAT AM I TO YOU, IORI-SAN?
HAHA!

WHAT IS IT, ALL OF THE SUDDEN?
LET'S SEE...
YOU'RE...

... LIKE MY LITTLE BROTHER?
Haha
A LITTLE BROTHER?
SO,
I KISSED MY BIG SISTER?

GIVE ME YOUR CELL PHONE
WHAT?
I'M CALLING THAT GUY
!
YOU DON'T MEAN...!
THE ONE YOU WANT TO BE WITH NOW ISN'T ME, IORI-SAN.
flip
NO!
STOP ...!

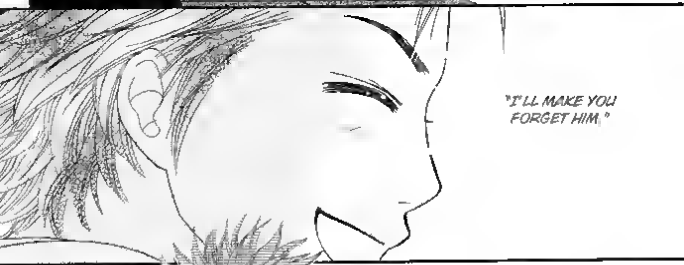
My editor, Ka-tan. I feel like we may have a lot more in common the more I get to know her. At first I thought she was a young, beautiful and responsible lady, but actually that was all a mask!! (laugh) When I asked her, "Don't you do unfair things like this?" She replied enthusiastically with "Yes, yes!" and "I think so, too!" I wonder if we're easing each other's wounds or simply trying to justify our wrong-doings with two wrongs? Hahaha. Just in case, this does not fall under the category of excessive chit chat. This is the kind of conversation from which I get ideas for my plots. Right, Ka-tan? Right?

WOW!! CHECK OUT THAT COSTUME!!
WHICH ONE DO YOU THINK, FUU-CHAN?
WHITE
INTUI-TION!!
REASON?
THE RED TEAM'S GOING TO WIN THIS YEAR.
NAH, WE HAVE TO SEE THE WHITE TEAM, TOO
To figure out this battle
Sachiko
YEAR-END PROGRAM TOPICS
And he's relaxed too
Fuuko-san, you set the miso?

Ooh, it's spreading!
Whoa, it's coming!
FUFU
WHAT A HAPPY SIGHT...
How can she be so confident about her intuition?
SHE'S GROWN INTO SUCH AN IRRESPONSIBLE GIRL!
Did you hear that?
I FEEL YOUR PAIN
HUSH, YOU!!



"I'LL MAKE YOU FORGET HIM."

"LET'S GO OUT."
HIS STRAIGHT-FORWARD WORDS
AND EYES.

I MUST
FIND MY ANSWER

I DON'T KNOW HOW TO USE IT
The type that will probably never own a cell phone.
SEE?
I'M SURE YOU'VE HAD ENOUGH?
CALL HIM.

BEEP
AH...
HELLO, IT'S ME
YES
UM...
NO!
SORRY, IT'S NOTH-
WE'RE ON THE STREET SOUTH OF THE ASAHI STATION, SO PLEASE COME.

SO YOU WERE LYING ABOUT ME BEING LIKE A LITTLE BROTHER.
WE DON'T KNOW IF FUMIHIKO WILL COME OR NOT ANYWAY.
PLEASE?
CHUCKLE
YOU'RE PANICKING
I'LL DRIVE YOU
LET'S GO HOME?

THAT'S WHY
YOU TRIED TO PRETEND AS IF MY FEELINGS NEVER EXISTED.
BUT YOU USED MY FEELINGS, KNOWING THAT I COULDN'T SAY NO TO SEEING YOU
I NEVER USED...!?
AND I ALSO USED YOU, IORI-SAN
BUT,
THAT SAVED ME.
YOU HAVE A BOY-FRIEND,
AND YOU HAVE ME
I'M SURE YOU KNOW THAT IT'S NOT A GOOD THING?

S...
DON'T SAY ANY-MORE ...!
STOP IT.
NO.
ALL I WANTED WAS TO SEE YOU.
TODAY WILL BE THE LAST DAY, SO PLEASE LISTEN WELL.

IT'S BECAUSE I COULDN'T PUT AWAY MY FEELINGS FOR YOU.
IT'S ALL MY FAULT
THAT WE STARTED SEEING EACH OTHER LIKE THIS AGAIN.
BUT
KEI!
NOW-

Shoujo Magic

IORI-
SAN!

I HAVE TO FIND MY ANSWER.
I LIKED YOU SO MUCH THAT IT MADE ME DO STUPID THINGS!
NO...

... I ALREADY HAVE AN ANSWER.
HEY!
OH, DID I FORGET SOME-THING?
NO
IT'S ABOUT
WHAT YOU TOLD ME YESTERDAY.

I STILL HAVE FEELINGS
FOR ICHI.
DON'T BURDEN YOURSELF WITH PIECES OF ICHI!!!
YOU'RE RIGHT, DAIYA
I AM STILL FULL OF PIECES OF ICHI
I DON'T KNOW HOW LONG IT'LL TAKE TO GET OVER HIM.

BUT,
I'M GOING TO TRY!

I ONCE REALLY LIKED DAIYA.
IT'S NOT LIKE I STOPPED LIKING HIM BECAUSE I HATED HIM.
I'M GOING TO TRY.
IT'LL BE OKAY.
I'M GOING TO TRY TO FORGET ABOUT ICHI,
AND I'LL FACE YOU, DAIYA!
UM..
I'M SURE...
DOES THAT MEAN ...

... I'LL LIKE HIM AGAIN.
I HOPE YOU'LL BEAR WITH ME!
OH MY GOD...

WHAT?
WHOA! THIS IS SCARY!
MY HEART'S POUNDING!

I'd thought that if I drew over many years then I'd one day be able to draw without looking at anything. However it seems to be the opposite. In my case I've become unable to draw just whatever. Well, to people that are truly skilled my art may seem like just whatever to them, and I also do have moments when I feel that I didn't pay enough attention to the details. But I wonder. My ideal is to be able to draw accurately without looking at real objects in life. It's a lot of trouble to have to pose in front of the mirror, sketch, and then do another pose, and sketch that. The readers may only spend a few seconds, or maybe not even that, on each panel but

I was able to spend this summer doing summery things like barbeques or going to the swimming pool. And I got the forbidden suntan! My sandal tan left stripes on my feet!! I forgot to put sun block on my feet!! (Cry) I layered it on all the other parts of my body though. Oh, but I got a little tanned on my neck and arms. So scary. When you get to be my age, (well I won't tell you how old I am) you can no longer smile and say, "I got tanned. It's summer! Bronze!" It doesn't go away too quickly and there are things called unsightly marks. The readers of this manga are probably too young to understand this but to people my age, tanning's a horror. Whitening, whitening. Oh, and anti-aging, too. I get rather depressed thinking about how I've changed the way I treat my skin.

Shouto Magic

In reality, I take a really long time drawing!! I'm not saying this so that you'll look at each and every one of the panels carefully— I would prefer that you read them at the pace that the story takes you. However, if you ever have the time, maybe you'll discover something interesting if you go over each of the pages carefully. That's how I read manga.

Going back to the topic, now that I've become so used to drawing while looking at something, I've come to treasure my digital camera. I bought one with a large screen so that I could draw while looking. I can't ever let this one go.

That's the way it is!!
Hush! It's okay as long as the girl's the prettier one!!
YOU AND ISOCCHI ARE LIKE THAT, TOO!

NOW THAT ISOCCHI-KUN IS HERE, I'LL TALK TO YOU LATER.

Wow this s going by so quickly It's already the last column There are quite a few readers who like or are in fact, looking forward to this 4 column section I wonder why Perhaps it's because they're interested in knowing what kind of life I lead and also about background info on the manga Oh, come to think, when I read other people's manga, I always read these columns first Ahaha! What am I saying, I wonder why for But it's so fun reading that stuff Oh, so it's fun Wow, but I'm sorry I can't write about anything interesting But I will promise to keep filling these spaces with things like this so please bear with me Oh, and also the story!!
